Overnight Programs

PROGRAM DESCRIPTIONS

Wampanoag Overnight
Explore, create and learn about Wampanoag culture with a Native Museum Educator. You will share a Wampanoag feast, visit a wetu (home), experience 17th-century Native life with a hands-on artifact activity, and use traditional materials and techniques to craft something you can take home.

Colonial Overnight
What was life like for a Pilgrim in Plimoth Colony? After eating a colonial New England dinner, you will experience an English child's life by writing with a quill pen and playing some of the games children would have played in the 1620s. Take a nighttime walk with your Museum Educator to discover the sights, sounds, smells and stories of Plimoth Colony after dark.

17th-Century New England Overnight
Discover 17th-Century Plymouth Life from both Colonial and Wampanoag perspectives during our 17th-Century New England Overnight. Your group will share a meal of traditional Wampanoag foods and colonial recipes. You will experience each culture by playing 17th-century games and creating something to take home with you. Finally, you will take a walk through the grounds with your Museum Educator and discover the nighttime sights, sounds and stories of Patuxet/New Plimoth.
