

Daisies:

Let Plimoth Plantation help you on your journey!

Here are some ideas for your journey – let us know about your ideas!

Has your Girl Scout Troop scheduled a Group Overnight, Workshop, or Professional Speaker? Let us individualize it for you!

Some ideas for Daisies are below, but we'd love to hear your ideas, too!

To individualize your program, contact us at programservices@plimoth.org or call 508-746-1622 ext. 8359

It's Your World –
Change it!

See the differences between the English (Pilgrim) and Native (Wampanoag) gardens.
Compare them to what you can grow today – even plant a mini-Plimoth Plantation garden!

It's Your Planet –
Love it!

What is made from milk?
The English colonists (Pilgrims) used milk from different animals
to make things like butter, cheese, and yummy sweets.
Make butter or cheese like the Pilgrims did!

It's Your Story –
Tell it!

Learn how to take care of farm animals at Plimoth Plantation.
Meet some of our animals close-up, and talk to the people who care for them!

Petals

Daisies can work on any color petal at Plimoth Plantation, but we can especially help with:
Green for Use Resources Wisely ~ Red for Courageous and Strong
