It's Your World –
Change it!

How do stereotypes about Native People affect us? Who is hurt by stereotypes?
How have people overcome stereotypes? Discuss these questions with a Native teacher.

It's Your Planet –
Love it!

Did the Pilgrims know about aromatherapy? Maybe...
Learn some of the 17th-century beliefs about air, and make a "sweet bag" using a recipe from the 1600s!

It's Your Story –
Tell it!

Examine images of Native People in the media and in popular culture with a Native teacher.
Why are these images used? What is the effect of these images? What would you do differently?

Where does our food come from? Do you know what is in your food if you use a mix from a box? Make pancakes or curd fritters with a 17th-century recipe. Where did the ingredients come from? Meet a hen laying eggs at Plimoth Plantation, visit the corn fields and grind flour by hand, see a cow and make curds (soft cheese) from milk.

It's Your Story – Tell it!

Consider "sisterhood" in the 1600s. What do we know about English colonial (Pilgrim) women's relationships with each other? Did women ever teach each other, or were men always the teachers?
